THE BOAT CLUB

WE OWN THE YACHT ~ YOU OWN THE SEA

Coast Yachts delivers a premium boat club experience that will make you feel like a boat owner without the hassles and financial risk.

Coast Yachts performs all the work and takes care of every detail. Our mission is to provide you with a turn-key yachting solution that makes boating effortless, the way it was meant to be.

There is a one-time initiation fee to join, along with annual dues that are a small fraction of the cost of boat ownership. The dues cover all the boat expenses, other than your consumed fuel and provisions. You will be trained to operate the boat and you have the option to hire a professional crew.
